Get More Money.

Are you satisfied that your present position is equal to your ability, or do you think you are capable of something bigger? Many a man hangs on to a small position when a little training of the right sort would show him just how to make the change to more money and brighter prospects. The first step toward getting better equipped and a better position is to write for a catalog of Draughon's Practical Business College, Jacksonville or Atlanta or Mobile or Montgomery.

5 or 6 doses of "666" will cure any case of Chills and Fever. Price 25c.

Dr. T. L. Bennett, Osteopath, of Pensacola, will be in Chipley every Sunday, beginning Sunday September 24th. Office at Chipley Hotel.

The fall term of the circuit court for Washington county will convene at Vernon Oct. 30th.

TIED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic. Vinol, and I am so glad I did, for it gave me a hearty appetite. I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allsbrook. What Vinol did for Mr. Allsbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

It is a Fact.

The salvation and uplift of the rural districts depend more upon the building of good roads than upon any other one thing. The people need to be educated to the fact that money spent for good roads is not money thrown away, but money spent for makeshift improvements is worse than thrown away. They must understand that good roads are not a luxury, but a necessity, and that the cost of their building is not extravagance begotten of the automobile, but simply a wise investment on the part of the community without regard what sort of vehicle is favored by those who travel over the roads.
